

List of boards, Councils, committees and other bodies

NCMRWF, NOIDA is a sub-ordinate office under Ministry of Earth Sciences and hence it is directly governed by Ministry and HMoES and Secretary, MoES are the decision makers for the Center.

However, for internal operations there are committees like, (i) Technical Evaluation Committee, (ii) Local Purchase Committee, (iii) Library Committee, (iv) House Allotment Committee, (v) Horticulture Committee, (vi) Guest House Committee, (vii) Internal Complaint Committee for Women, etc. These committees are formed by Head, NCMRWF comprising of senior scientists as their Chairman and members are scientists and administrative staffs. The committees get reshuffled time to time to maintain transparency. For example, one such order is given here for ready reference for Estate management Committee.

The details for Estate management Committee order given in [Estate Management Committee Office Order](#)
